(If boring is required to set the tap, additional fees will apply. Starting at a minimum of \$1,000.)

Sec. 13.02.004 Sewer user charge

(a) The monthly rates for sewer service, based on water usage, are as follows:

(1) First 1,500 gallons: \$21.00.

(2) Additional usage over 1,500 gallons: \$2.40/1,000 gallons.

(b) When more than one (1) residence is located on the same lot, each family shall be considered a separate single-family residence. In addition to the above sewer service rates, the city may levy a monthly surcharge on all sewer customers to support sewer repairs and purchase of sewer equipment.

Sec. 13.02.008 Temporary Water Service

The owner of record may request temporary water service to “clean up” property which they own or may request service for a “vacant home”. The charge for this service shall be the current minimum billing rate plus the per-thousand water rate shown in section 13.02.001(a)(2) or section 13.02.001(a)(4) of this article if usage exceeds 1,500 gallons. Sewer will be charged if the water usage exceeds 500 gallons per month. The Temporary Water Service fees are only applicable to vacant homes.

Note: Sanitation services will be charged at the then current rate if usage is noted.
